# *Educational Vision*

## Chairman's Message

### Welcome to Satluj World School, Derabassi!

As the Chairman of Satluj World School, it has always been my vision to create an institution where education transcends beyond classrooms, equipping young minds with the skills and values needed to succeed in life. I firmly believe that a school is not just a place to acquire knowledge but a space where dreams are nurtured, character is built, and futures are shaped.

Our vision is to provide an education that is holistic, inclusive, and future-ready. At our school, we are committed to fostering an environment where academic excellence goes hand in hand with personal growth and social responsibility. We aim to inspire our students to be critical thinkers, compassionate leaders, and lifelong learners who contribute meaningfully to society.

To achieve this, we emphasize:

- A well-rounded curriculum that balances academics, arts, sports, and co-curricular activities.
- A focus on values such as integrity, respect, and resilience.
- The use of innovative teaching methods and modern infrastructure to prepare students for a rapidly evolving world.

I also believe that the success of a school lies in the strength of its community. Here we are proud to have a team of dedicated educators, supportive parents, and talented students who work together to create a vibrant and dynamic learning environment.

I warmly invite you to explore our website and learn more about our school, its programs, and our commitment to providing an exceptional educational experience. Let us work together to shape a brighter future for our children.

With best wishes,  
**Ravi Dutt Sharma**  
(Advocate) Chairman

## Message from the Director

**“Education is the best friend. An educated person is respected everywhere. Education beats the beauty and the youth.” – Chanakya**

### Welcome to Satluj World School, Derabassi !

At Satluj World School, we are deeply committed to nurturing young minds and empowering students to realize their full potential. As an educationist with a profound belief in the transformative power of education, it is my mission to ensure that every child who enters our school is inspired, challenged, and equipped for the future.

Our approach to education goes beyond academics. We strive to cultivate critical thinking, creativity, and compassion, preparing students to excel in a rapidly evolving world. By fostering a love for lifelong learning and encouraging holistic development, we aim to shape well-rounded individuals who are not only knowledgeable but also empathetic and responsible global citizens.

With a team of dedicated and highly skilled educators, state-of-the-art facilities, and a nurturing environment, Our school offers a platform where students can thrive and discover their unique strengths. We emphasize values such as integrity, resilience, and respect, laying the foundation for both personal and academic success.

I invite you to explore our website and learn more about our vibrant community, programs, and vision. Together, let us embark on this exciting journey of growth and achievement.

Warm regards,  
**Dr Ruby Sharma**  
Director

# Satluj World School

The requirements of education have changed considerably over the period of time, more-so over the last decade. The traditional teacher-led-class room & laboratory-centered learning is no more sufficient to cope with the fast paced changes prevailing across the world. Education systems need to be flexible enough to impart student centric learning where focus should be on molding the young & impressionable minds for adding value to the future. Education at school level must necessarily, and spontaneously lead to character development and development of the children to the optimum.

The atmosphere at Satluj World School encourages learners to be leaders of tomorrow, to strive for group greatness and not merely individual excellence, With the innovative pedagogy of the school and the dedication to build children for greatness, the School is dedicated to create Innovative Learners, who can excel beyond the constraints of text-books and classrooms and bring glory to this great nation.

## VISION AND MISSION

The quintessential holistic learning is the core of Satluj philosophy and pedagogy. Satluj acts to inspire, nurture philosophy and pedagogy, Satluj acts to inspire, nurture and catalyze a process of self-discovery. Creating a platform for children to think freely, it equips them with skills and resources to act, make informed choices and hence-lead. We nurture leaders of tomorrow.

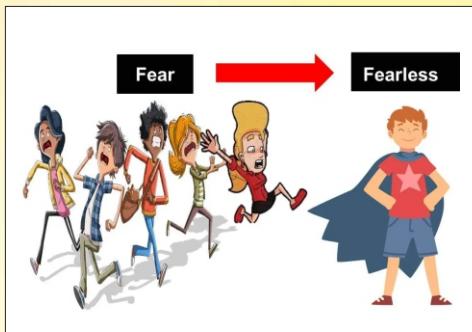

These series of outdoors highlight the essence of Self directed learning by capturing the process of learning, exploration and experience offered by our schools. Using that as a base, we shall highlight the process of active thinking to become that a child will go through. From asking questions finding answers, from exploring-to discovering and from doing-to creating; it takes the core of liberating minds of Satluj students forward.

Satluj Wolrd School encourages the spirit of curiosity inherent in each child to blossom into new ways of learning. As a child questions the world around, s/he begins to understand better. Question lead him/her to further exploration and hence new discoveries/growing as a person. And the ability experience of evolving/growing as a person. And the ability to make informed choices establishes him/her as a leader.

A Satluj student therefore is free to think and has the choice to become. Leadership begins at the level the mind. And Satluj Schools help the student to unleash it in its full force.

# Educational Philosophy of Satluj

## UNIQUE. UNCLUTTERED. UNINHIBITED. FEARLESS AND FREE.

This is how each child is born. This is how each child is meant to be. Satluj Schools celebrates the potential inherent in each child as a unique promise for the future. We believe education is not to be taught or imposed; rather wisdom must blossom, from within

## LEARNERS FOR LIFE

At Satluj, the student is at the core of all learning. Our teaching methodology opens up minds while preparing students to choose the pace and path of their learning. It inspires a thirst for knowledge and sets the stage for a lifetime of learning.

## BRING MASTERS OF THEIR OWN DESTINY

We are what we think. we become what we will ourselves to be. Our engaged pedagogy empowers young minds to realize who they are. It gives them the opportunity to become what they want to be. Students therefore, grow up to become masters of their destiny.

## LIBERATED MINDS

Freedom empowers us to celebrate our essence and to direct our future journey. Our teacher-student connect creates the space and the freedom for students to learn and grow. It empowers hearts and liberates minds.

## STAY CURIOUS

Children are born curious, And this curiosity is the genesis of all learning, the driving force for research and scientific discovery. The School nurtures and harnesses this innate sense of curiosity through research labs, detailed curriculum plans and field trips etc. Students grow up ideating innovating, learning and leading.

## FOLLOW YOUR HEART

To be free is to be fearless. It is to follow one's heart. Satluj creates the spaces for students to realize their true potential without fear or any restraints. Children grow up with the courage and the conviction to fulfil their dreams.

# Satluj Curriculum

**Be Free-Two small words but they make a world of difference to a child. At Satluj, we believe that freedom alone begets wisdom. It is the foundation, the first brick on which the quest for lifelong learning begins.**

**Our curriculum and learning environment therefore are created to offer this quintessential freedom. Learning at our school goes beyond the three R's of old times- reading, writing and arithmetic-and focuses on the new R's-rigor, relevance, respect, result and relationships.**

**It is a journey to our roots, to the very core of our being. We are Satluj, have been in the field of liberating minds for decades. We have a legacy of 44 years across 14 schools, with over 35,000 students who are our proud Alumni. Today, 30,000 students are studying with us. More than 2000 educationists are working with us. Creativity. Innovation. Know-How. Expertise.**

**We are looking at collaborating for sharing our expertise with like-minded people who believe in freedom of choice, who wish to help make a difference to children's lives across the country. We believe that our journey has just begun, where we want to empower children, help in liberating minds.**

**Join us in this beautiful journey.**

# Satluj World School

## SPECIAL Features

Emphasis on 100 hall size classrooms, 1500 seat auditorium, 100% Smart classes in association with Educomp and Extremarks brings a revolutionary change in teaching pedagogy. To be introduced soon.

State-of-the-art world class laboratories class laboratories for Science (Physics, Chemistry, Biology) and new computer labs with brand new systems. to be introduced soon.

- Satlujians get access to top organisations and corporates, such as Confederation of Indian Industry (CII), Ficci, NassCom, Assocham, TiE, Rotary, etc.

# Pre-School

The Pre-primary offers all round holistic development of the tiny scholars amidst an eco-friendly, child-centric ambience. Our aim is to provide the best possible opportunity to our budding stars and help them face the future challenges in the global world. Along with inculcating basic skills, the potential of a child is nurtured and enhanced towards the achievements of desired goals.

We work to cater to the needs of toddlers whose childhood is precious and deserves to be full of joy, play, lovely memories all of which could make their childhood unique. We welcome our children with love and enthusiasm.

In order to deliver the best early education experience to children, our methodology is crafted by curriculum and child psychology experts. We ensure that learning coincides with the development goal for every age so that children are joyfully engaged and are learning well.

# Primary

The primary wing is the building block of Satluj. These tiny scholars are the future of Satluj and by extension future of the nation. By the time they graduate from school, the world will not be what it is today. At Satluj, students are therefore, provided with a futuristic education with a skill-set that would make them employable in future. We aim at the holistic development of the child with an eco-friendly and child-centric environment. The knowledge imparted to the students is not just limited to the text, but goes beyond that. We give wings to their creativity and encourage them to come out of their protective shell see the world and its boundless beauty.

## Special Features:

- State-of -the-art campus for juniors
- Highly qualified and trained staff

The middle wing at Satluj is dedicated to innovation. Students are given the freedom to be creative and find their own voice. We encourage students to be innovative and be curious. The students are acquainted with a lesson with the 'learning by doing' method. Hands-on practice is essential. Through various learning methodologies and beyond the classroom activities, learning is made fun and attractive here. Student-centred learning builds the crux of the academic programme. Here, we allow the students to discover themselves, build their personality and confidence. We prepare them for all trials they are about to face in life.

## Secondary & Senior Secondary

Secondary level at Satluj is immensely crucial, as this the time when we have to guide the students about the possibilities that they have in front of them. We stress on not just good but excellent board results, so that our Satlujians may have all higher education options open to them. We ensure push them to the limit and give their personal best in whatever they aim to do.

## Special Features To Be Introduced

- CBSE co-education 10+2
- Beautiful and stimulating environment with exquisite garden
- Excellent state-of-the-art Computer Labs equipped with latest technology
- World class Science Labs (Chemistry, Physics and Biology)
- Composite Science Labs
- Highly qualified staff
- 3D Printing Lab
- Innovation Lab with Artificial Intelligence (AI), Virtual Reality (VR) and Mixed Reality (MR)
- Teaching by using innovative and effective pedagogies and methodologies for all subjects offered
- Availability of all Major Streams (Science, Commerce and Humanities) in 10+2
- Excellent results with numerous students getting 90% (A1 and merit) marks in board examinations
- Exclusive rooms for super merit classes and special help for below pupils.
- Conference rooms
- Best sporting facilities-Pool, Gym, Swimming, Horse Riding, Roller Skating, Lawn Tennis, Extensive Playgrounds, Soccer, Hockey, Basketball Stadia, Badminton, Shooting, Taekwondo, Horse Riding, Cricket, Athletics, etc.
- Fine Arts and Music Complex with Dance Studio, Music Room and Home Science Lab

- Multi purpose hall with excellent staging facility
- Outdoor facilities with shady areas, lush green parks, flower beds, rose gardens
- Regular social events
- Continuous progress monitored and recorded
- School has its own app Schoolman to keep track of students' progress which is accessible to parents.
- 3D Smart Classes
- Two Libraries with 40,000+books
- 100% CCTV surveillance
- Fully air conditioned classrooms
- District State, National and International level opportunities for participation in co-curricular and sporting activities
- Multimedia theatre
- Open air theatre, stadia capacity 2000+
- Auditorium
- Evacuation Plan/Security System
- House system
- Reprographics equipment
- Excellent administrative office/front office/visitor room

## DANCE & MUSIC

The school has its own regular trained professional who guide and instruct students on daily basis. It is mandatory for every student to participate in such hobby classes. Students are given professional training in various dance forms. Special emphasis is given to the field of music both vocal and instrumental.

The school houses well-stocked library with a good collection of books at various levels. Encyclopedias Thesauruses and dictionaries on various subjects are available in the library for reference.

## LIBRARY

**E-Library:** Digital Libraries give access to multiple contents with a potentially infinite number of resources and selections at hand. The main limit for traditional libraries is represented by physical space: books consume a lot of it and people often have to walk round in search of a particular material. We have a set of 12 Pcs to offer our e-reading facility to the students.

## **SPORTS**

**Sports play a pivotal role in the holistic development of students. A plethora of sports facilities like swimming, skating, shooting, martial arts etc. are provided to ensure shaping of well-grounded personalities.**

**The school houses well-stocked library with a good collection of books at various levels. Encyclopedias Thesauruses and dictionaries on various subjects are available in the library for reference.**

**Satluj World Sporting Spree** is an ongoing Inter-School Sports Tournament to be held every year. This competition offers an excellent opportunity to foster camaraderie and sportsmanship where student's participate, witness, and cheer the various events, be it Swimming, Karate, Athletics, Basketball, Badminton, Table Tennis, Chess, or Carrom, not to miss out on Dancing and Singing events. It become a field day of spirited learning for children.

## SCIENCE & COMPUTER LAB

The school has fully equipped science and computer labs to inculcate technical aptitude and develop scientific acumen among its students. Labs are fully spacious with the required apparatus and resources to conduct experiments.

## RECREATION & PICNIC

School picnics are a quintessential part of our educational journey, creating a bridge between academic rigor and recreational relief. They bring about a sense of camaraderie among students and teachers, breaking the monotony of the classroom environment. We, at Satluj World School, believe in organizing regular picnics and excursions for our students in an academic year to refresh the student's minds.

## HOUSE SYSTEM

One of the main objectives of the house system is to inculcate in the students a sense of collective responsibility and solidarity. It is the house system that imbues a sense of duty in children and channelizes their energy and talent. The students are appointed as school captain, vice-captain, perfects and monitors to promote Leadership qualities, self-reliance and cooperation. They maintain discipline in the school with the help of the staff. To ensure every child's growth according to their strengths and liking, school provides comprehensive space to each child by keeping them under one of the classified groups.

For various sports and activities school divides all students into four houses:

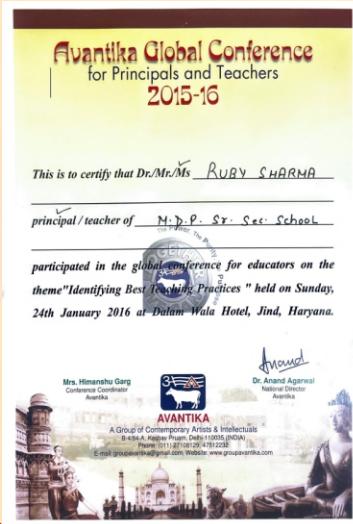

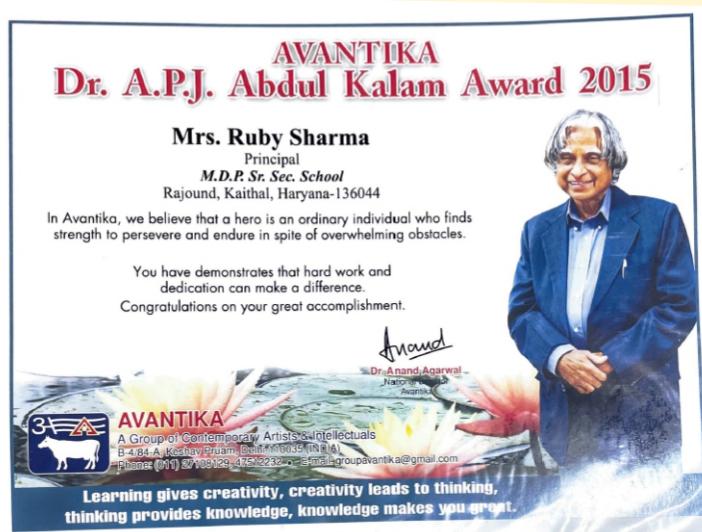

**Satluj World School proudly introduces four houses, named after great martyrs, to instill their values in students.**

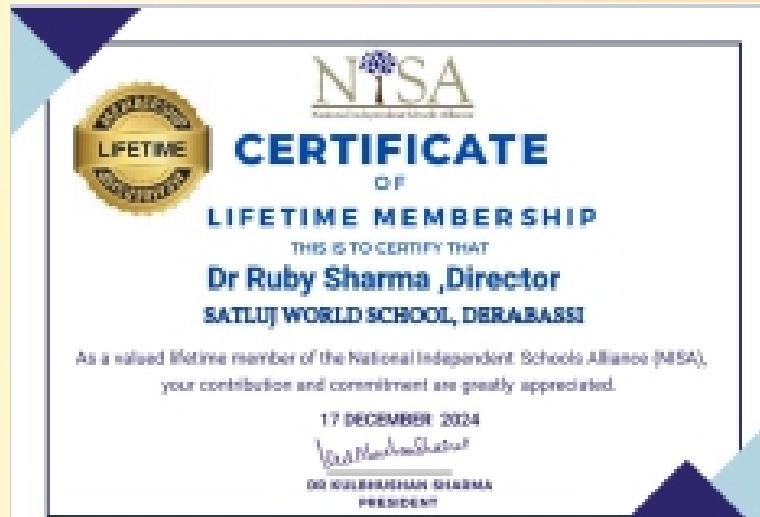

- \* Shaheed Chandra Shekhar House (Blue) represents **WISDOM** fostering knowledge and thoughtful decision-making;
- \* Shaheed Bhagat Singh House (Yellow) symbolizes **VICTORY** inspiring perseverance and determination.
- \* Shaheed Rajguru House (Red) showcases **BRAVERY** encouraging fearlessness and courage in challenges.
- \* Shaheed Sukhdev House (Green) stands for **HONESTY** promoting integrity and righteousness.

Each house plays a vital role in organizing daily assemblies, enriching students with moral, social, cultural, and scientific knowledge. They also take the lead in CBSE-assigned co-curricular activities, fostering teamwork, discipline, and leadership, ensuring holistic growth for every student.
